

CWD Sampling During the Firearm Deer Season in Northern Illinois Counties with Mandatory Check Stations: Firearm deer hunters in the 10 counties listed below are required to register all deer harvested during firearm season (Nov. 16 – 18; and Nov 29 – Dec. 2) at the check stations shown between the hours of 8 a.m. and 8 p.m. Biologists will be present to take CWD samples for testing at the time of registration. Testing is voluntary, but all hunters with adult deer are encouraged to participate. **Note:** *Successful Kendall County firearm deer hunters are also encouraged to bring their adult deer to a check station in one of the adjacent counties for testing, as IDNR needs additional samples from this county to properly evaluate the status of CWD.*
